Gordon Rhodes Stuffing Recipe

Recipe

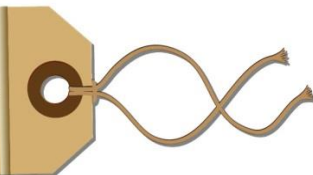

Ingredients	Amount (g)
Gordon Rhodes Stuffing Mix	125
Water	250

Method of Application

1. Place 125g stuffing mix in a large mixing vessel.
2. Add 250 ml of boiling water to the stuffing mix and stir thoroughly.
3. Leave to stand until the mix absorbs all the water and remix
4. Place in a greased oven proof dish or baking tray & oven bake for 20 minutes at 200°C.

The Stuffing mixture can be used to stuff meat products, as a coater or topper, rolled into stuffing balls or filled out into stuffing tray bakes.
